### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art fails to teach a combination of all the limitations as claimed in the independent claim 68, wherein the claimed invention comprising a sandwich of two or more layers, at least one of the layers comprising two or more films, the stress of each film being arranged so that the overall stress of the layer ranges from zero to tensile in magnitude; wherein the layers of the sandwich are movable relative to each other, as claimed. The prior art does not disclose or fairly suggest, by themselves or in combining with any other reference, to meet a combination of all the limitations as claimed in claims 68. Therefore claims 68,72-90 could be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
